Which learning method is best for a prospective student? Find the answer to this question in one of our upcoming live Zoom Meetings! The Lord continues to bless Sangre de Cristo Seminary in many ways. As we receive those blessings, we endeavor to be a blessing to others.

Please join us in a prayer of celebration for the Lord's provision over these past 50 years!

If you are able, come and share in the joy of our celebration here on campus in late August!

As always, please pray that the Lord would provide students with a heart for ministry preparation. May He provide the means and the path for preparation that will glorify His name!

Thank you for your concern and care for us!

May the Lord bless you and yours,
