THE NEWSLETTER OF SANGRE DE CRISTO SEMINARY

August, 2025

When is the Best Time to Enter Seminary?

Did you know that students who begin our program of study in the Fall of an odd-numbered year receive more training in Greek than at any other point of entry? If you, or someone you know, has a burning desire to learn the Greek of the Bible, highly encourage them to enroll to start classes by **September 8th**. We are able to train students here in the beauty of the Rocky Mountains or in a live-streaming format. Interested prospects should contact the seminary right away by phone or email (see above).

SdCS Board Approves Job Opening:

If you ever knew Dwight Zeller, you know that he wore some pretty big shoes. We are now attempting to identify a person to help fill those shoes! In fact, the SdCS Board approved the budget to hire a **Ministry Director/Seminary Core Faculty Member**. This person will help lead and preach in our chapel program that currently serves the people in and near Westcliffe. teaching seminary-level Hebrew and Greek are also skills to be used in this position. Please think and pray for those who could help us. Have them express their interest on or before September 15th, 2025.

Call for Photos for our 50th Anniversary Calendar:

Each December we attempt to recognize those partners and donors who help sustain the work of this ministry. Typically we might send a Christmas ornament or calendar to those who donate to the seminary. Last year's 'Images of a Seminary in the Sangre's' calendar was very well received. This year we are currently collecting special photos to help celebrate the 50th Anniversary of the Seminary. Fun action photos of students, graduates, classes, building projects, mountain recreation from trips made to Westcliffe are being collected for use in this special calendar. Please do us a favor and email us a high-quality photo scan (in JPEG format) if possible.

Dwight, Andrew, and Joel Zeller grade a new road through the seminary campus. Circa 1975.

Your donation would be greatly appreciated.
